

### College Students Visited to ITI

Date: 16/04/2026

#### Highlights of the Program:

- The B.A. 2nd Year students from Govt. Degree College Raighar visited Govt. ITI Raighar as part of their project work on “Skill Enhancement Centre- Govt. ITI Raighar”.
- The session began with a brief introduction by the Principal, highlighting the role of ITIs in skill development, vocational training and industrialization.
- The students interacted with all trainers to understand: Different trades offered, Training methodologies and Skill enhancement initiatives.
- The students also engaged with trainees to gather insights about: Learning experiences, Practical exposure, Employment opportunities after training.
- The visiting team toured all workshops, including practical training sections, where trainers demonstrated various tools, machines, and ongoing work processes.
- Students collected relevant information and observed the infrastructure and facilities available for skill development.

#### Glimpses of Activities:
