

Zero Fatality Fortnight Campaign- Awareness against triple riding on two-wheelers

DATE: 24/11/2025

Highlights of the Program:

- The campaign commenced by Zonal Change Leader with an introduction to Zero Fatality Fortnight Campaign, with a focus on creating awareness against triple riding among the public through participation of ITI Trainees and Trainers.
- Principal welcomed all attendees to the campaign and raised awareness against triple riding, which is a major source of road imbalance and accidents.
- Trainees and Trainers participated in roadside awareness drives for triple riding on two-wheelers.
- Trainees politely reminded riders about the risks associated with triple riding.

Glimpses of Activity:
